The War of the Worlds
has been the subject of
countless adaptations,
including an Orson
Welles radio drama
which caused mass panic
when it was broadcast,
with listeners confusing it
for a news broadcast

A.J.P. Taylor caused a storm of outrage with this scandalous bestseller.

Debunking what were accepted truths about the Second World War, he argued provocatively that Hitler did not set out to cause the war as part of an evil master plan, but blundered into it partly by accident, aided by the shortcomings of others.
