How to set the clock on my Philips player? | Philips

This versatile Philips CD/clock radio gives you lots of options for how you're awakened. Choose to wake up to the radio, buzzer or your favorite CD. Dual alarm can be set for 2 different times and can be deactivated for the weekend. A gentle-wake feature gradually increases the volume, or just hit the programmable snooze to get a bit more sleep.

This radio features a large, 4-inch speaker alongside the AM/FM station tuner. One of the other key features of this table radio is the Ferrite antenna that ensures a clear connection and good sound. You can tune the radio with the large tuning knob on the side of the radio, as well as control the volume.
