Earlier this year, I visited the Pier 24 Photography gallery, in San Francisco, to see an exhibit called "This Land," a portrait of the United States as witnessed by eighteen photographers.

How Robert Frank's Photographs Helped Define America | The ...
However, few have had the opportunity to experiment with infrared flash photography. For me, the cool thing about shooting with infrared flash is that you can shoot candid street photography, and also handheld architectural night shots. NIKON D800 + 50mm f/1.8 @ 50mm, ISO 1600, 1/125, f/5.6

Infrared Flash Photos on the New York.....- Photography Life
Once every five years Canon holds a technology exposition. The latest took place in New York City during the first week of September, 2010. This event is for Canon's customers and partners (as well as selected media), and includes business, education and government participants. Attendance is by invitation only. This was my first time attending [Read More]

Canon Expo 2010 New York - Luminous Landscape
