It's hard to believe it's now been five years since a moment that brought the world's attention to southern Kentucky and Middle Tennessee. One community has plenty to remember that historic day.

~~Remembering the 2017 solar eclipse on its five-year anniversary~~

Energy prices for most households in Britain will rise by 80 per cent from October, taking a typical bill to a record £3,549 year. Ofgem confirmed that it was increasing the energy price cap ...
