Polycom SoundPoint Pro SE-220 - headset plus

SoundPoint Pro SE-220 Handset Cord Hello, I have an older SoundPoint Pro SE-220, that is working great except for the cord that runs from the base to the handset broke. I need a new one and don't know where to get it. ,as I tried using a standard one from an old house phone I retired and the ends are different sizes.

SoundPoint PRO SE-220 disconnects when calling a Comcast Infinity VOIP Number This has been driving me crazy for a long time. I use the above phone in my office. There is one number I need to call often (Infinity Phone Number). However, after I dial the number I am instantly disconnected. The people I am calling are disconnected as soon as they pick up their phone. So for this number I have to ...

Re: SoundPoint PRO SE-220 disconnects when calling...

Soundpoint Pro SE-220 Caller ID problem Recently the caller ID stopped working - the display says "No ID message" when a phone call is received. I know the information is being sent because if I plug another phone into this line it works fine.
