It won the Whitbread Novel Award in 1992 and the Guardian Fiction Prize for 1992. The novel was called "a magnificently brisk, funny, dirty, brainy book" by the London Review of Books and is a departure from Gray's usual subject-matter of Glasgow realism and fantasy.

Poor Things - Wikipedia
One of Alasdair Gray's most brilliant creations, Poor Things is a postmodern revision of Frankenstein that replaces the traditional monster with Bella Baxter - a beautiful young erotomaniac brought back to life with the brain of an infant.

The novel is framed as an autobiographical account written by Mc Candleless and edited by the actual (presumably) author Alasdair Gray. It is set out with a biographical note about the 'author' and of Gray as the 'editor'. It is difficult to know whether the dedication is to Gray's wife or McCandleless's.

Poor Things - Alasdair Gray - Complete Review
Alasdair James Gray (28 December 1934 – 29 December 2019) was a Scottish writer and artist. His first novel, Lanark (1981), is seen as a landmark of Scottish fiction. He published novels, short stories, plays, poetry and translations, and wrote on politics and the history of English and Scots literature. His works of fiction combine realism, fantasy, and science fiction with the use of his own typography and illustrations, and won several awards.

And it offers farce, melodrama and humour at all levels, from Gordon Baxter interpreting the plot of Hamlet as a public health problem to the use of illustrations from Gray's Anatomy. Poor Things is also, however, a political novel, in the Scottish progressive tradition. This too is approached in different ways, through Bella Baxter's response as an innocent to the cruelty and hypocrisy of Victorian politics and morality, and through Victoria Baxter's struggle for rights in the first half of ...

The LRB cover for the 8 October issue is identified as 'Alasdair Gray's graphic version of one of the characters in his new novel, Poor Things: the great psychiatrist Jean Martin Charcot – though a joke erratum slip denies the identification.' In the text of Jonathan Coe's review (it's a great review by the way; one imagines Gray feeling quite pleased to have found such a sympathetic and intelligent reader) he supports the idea that the erratum slip is 'a joke'.

Scots author Alasdair Gray dies at the age of 85 - BBC News
Nature is more liberal. The universe keeps nothing essential from us--it is all present, all gift. God is the universe plus mind. Those who say God, or the universe, or nature is mysterious, are like those who call these things jealous or angry. They are announcing the state of their lonely, muddled minds.
