CHAPTER 12

COURSE NAME ...

Software metrics is  
a standard of  
measure that  
contains many  
activities which

Where To  
Download  
Product Metrics  
involve some  
degree of  
measurement. It  
can be classified  
into three  
categories: product  
metrics, process  
metrics, and project  
metrics. Product  
metrics describe  
the characteristics  
of the product such  
as size, complexity,  
design features,
