Project Libre

There is a user guide for ProjectLibre available at the following link:-<http://www.projectlibreuserguide.com>. It's been written by the same guys who wrote the user guide for OpenProj which, in my honest opinion, was excellent. Clearly laid out, very succinct and plenty of screenshots which you need for a user guide to software.

User Guide | Projectlibre
Overview of ProjectLibre
ProjectLibre is a recently
reinvigorated open
source project intended
to update and revitalize a
software tool intended as
an alternative to
commercial software like
Microsoft Project.
