Protist Internet lab
General: The goal of this lab is for you to become familiar with the kinds of organisms that we classify as protists. You will do this primarily through descriptive study of a wide variety of specimens, living and preserved. For each organism you study you should make careful observations on its physical makeup and behavior.

Kingdom Protista: Internet and Microscope Lab
A survey lab allows you, the student, to view and experience living or preserved organisms (specimens) at different stations. They are a useful way to apply your learning about the classification and characteristics of organisms. In this activity, you will observe representative Protists and answer some questions. You may use the Protista Notes or outside sources to...
