Robin, either of two species of thrushes (family Turdidae) distinguished by an orange or dull reddish breast. The American robin (Turdus migratorius), a large North American thrush, is one of the most familiar songbirds in the eastern United States. Early colonial settlers named it robin because

Robin | bird | Britannica

The American robin (Turdus migratorius) is a migratory songbird of the true thrush genus and Turdidae, the wider thrush family. It is named after the European robin because of its reddish-orange breast, though the two species are not closely related, with the European robin belonging to the Old World flycatcher family. The American robin is widely distributed throughout North America ...

American robin - Wikipedia

A very familiar bird over most of North America, running and hopping on lawns with upright stance, often nesting on porches and windowsills. The Robin's rich caroling is among the earliest bird songs heard at dawn in spring and summer, often beginning just before first light. In fall and winter, robins may gather by the hundreds in roaming flocks, concentrating at sources of food.

American Robin | Audubon Field Guide

Robin is the alias of several fictional superheroes appearing in American comic books published by DC Comics. The character was originally created by Bob Kane, Bill Finger, and Jerry Robinson, to serve as a junior counterpart to the superhero Batman. The character's first incarnation, Dick Grayson, debuted in Detective Comics #38 (April 1940). Conceived as a way to attract young readership ...

Robin (character) - Wikipedia

The quintessential early bird, American Robins are common sights on lawns across North America, where you often see them tugging earthworms out of the ground. Robins are popular birds for their warm orange breast, cheery song, and early appearance at the end of winter. Though they're familiar town and city birds, American Robins are at home in wilder areas, too, including mountain forests ...

The Willow Springs Kidnapping The disappearance of two children leaves a small Florida town in disarray. A suspect remains at large, and investigators are baffled by conflicting evidence and anonymous calls to the police station by their alleged kidnapper.

Robinreads

The European robin (*Erithacus rubecula*), known simply as the robin or robin redbreast in the British Isles, is a small insectivorous passerine bird that belongs to the chat subfamily of the Old World flycatcher family. About 12.5–14.0 cm (5.0–5.5 inches) in length, the male and female are similar in colouration, with an orange breast and face lined with grey, brown upper-parts and a ...

European robin - Wikipedia

Robin is the position of Batman's sidekick and crimefighting partner, a teenage vigilante who patrols Gotham City armed with intensive martial arts abilities and a number of high-tech gadgets. There have been five as members of the Batman Family in regular continuity. The original Robin was Dick Grayson, a young circus acrobat whose parents had been killed by mobsters. Bruce Wayne witnessed ...
