Designing, Analysis reinforce curved concrete wall.Robot Structural Analysis Professional 2020 Robot Structural Analysis Professional 2022 DESIGN OF CONTINUOUS ONE WAY SLABS Robot Structural Ysis Reinforced Concrete Engineers have invented a rubber-tentacled robot inspired by jellyfish that is capable of gently grasping fragile objects in ways never before thought possible. A team from Harvard University ...

Tentacle robot can grasp extremely fragile objects

She likes the transition from old to modern, and she's all about shifting perspectives. A robot fish that collects microplastics from waterways has been turned from an idea into a working prototype.

Open-source fish robot starts collecting microplastics from local lakes in the UK

I hadn't, but now that I've used the Litter Robot 4, I can't imagine another way. You don't realize how much time is spent scooping out a litter box until you don't have to do it anymore.

Litter Robot 4 review: a smart, automated pooper-scooper

An AI has been used to train a small robot dog to perform cleaning tasks. The hardware cost a total of \$6300, which is less than a tenth of the price tag of the well-known robot dogs built by US ...

Having AIs train robot dogs to balance makes them a lot cheaper

Researchers believe that this robot design can be one day repurposed for applications like biomedical devices. By Charlotte Hu | Published Oct 29, 2022 7:00 AM Engineers have long been interested ...

Watch this penny-sized soft robot paddle with hydrogel fins

Robot vacuums vary widely in price and capability, from basic units for around \$200 or less, to combo vacuums and mops with self-cleaning bases and auto-mapping abilities that can cost more than ...

Readers' Choice 2022: The Robot Vacuum and Mop Brands You Like Best

Thanks to a team of researchers at Carnegie Mellon University in Pennsylvania, a four-legged, doglike robot featuring an arm attachment recently managed to master complex maneuvers and multiple ...

AI can teach robot dogs tricks for cheap

A Chinese military contractor created a video showing off its terrifying new military technology, revealing a robot attack dog that can be dropped off by a drone. The video that was initially ...

Terrifying video shows Chinese robot attack dog with machine gun dropped by drone

Claire Reilly is a video host, journalist and producer covering all things space, futurism, science and culture. Whether she's covering breaking news, explaining complex science topics or ...

Swimming With a Robot 'Mermaid': Up Close With Stanford's Deep-Water Explorer

Researchers at the University of Texas at Austin say that they are, and they plan to do so in a rather provocative way: by unleashing a pack of robot dogs on campus, starting early next year.

It's Okay to Fear the Robot Dogs Coming to UT

It was used to build the record-setting (at the time) Cubestormer 3 robot which could solve Rubik's Cube puzzles in the blink of an eye. At \$350 it was the most expensive Lego set released in ...

Lego Is Discontinuing Its Mindstorms Buildable Robot Kits

He covers all things entertainment, celebrity, and culture. In a tweet debunking the robot rumors, she called on flat earthers, people who think birds are actually a government conspiracy ...

Katy Perry Addressed Rumors That She's Actually a Robot

Some of the robot vacuum deals we've found are hundreds of dollars less than what you'd normally pay. You can even save \$50 to \$100 on some budget models, which makes those robot vacuums as ...

Black Friday robot vacuum deals: Score a Roomba for \$240 -- over 40% off

In an official statement, the company said it will redirect its internal Mindstorms team into "different areas of the business" and that its Mindstorms Robot Inventor App digital platforms will ...
