Page 2 Modular-Synthesizer Systems 100, 100M und System 700: every one a posh instrument, every one Crème de la Crème. And even the small Roland analog aynths — as for instance the SH-2 and the cute SH-09 — are of exceptional musical and constructional quality (underlined by the fact that a lot of them are still doing good service today).

Roland System 100 Model 101 Synthesizer OWNER'S MANUAL and ...

Roland SH-2 Owners Manual and Service Manual The SH-2 owner's manual is a 54 page scanned PDF file. It is a better manual than what you would normally get with a new synth these days. Of course it has the standard info, but it also has more operational information such as how the SH-2 actually generates sound and how the bender sections works.

Roland SH-2 Owners Manual and Service Manual | House of Synth

Roland Corporation is a leading manufacturer and distributor of electronic musical instruments, including keyboards and synthesizers, guitar products, electronic percussion, digital recording equipment, amplifiers, audio processors, and multimedia products.

Roland - US

Roland Cloud software instruments are currently in test with macOS Big Sur. If you are using our products, we suggest you do not use macOS Big Sur. We will let you know when we have completed testing for compatibility. Refer to our FAQ section and our product specifications to obtain up-to-date information on our system requirements.
