My tips for exam prep are (1) SAS free e-learning is a MUST, (2) SAS Certification Prep Guide is also a MUST if you want to choose only one single material, (3) taking online class first and then reading a book may save some time; read materials thoroughly at least two times, (4) not need to know everything completely;all passing scores $\leq 70$ , (5) do not rely on SAS certification exam dumps;real questions are not the same, (6) read exam contents guide for each exam very carefully.
