It's soon for me to be writing this review, but I'm excited about my Schwinn 450 elliptical. A few years ago I bought an elliptical I didn't like. It was just too hard to use and too noisy. A friend of mine has the Schwinn 420 and had recommended that model. When I started shopping again for an elliptical, I saw that the 450 is an upgrade of ...

Schwinn created the ultimate exercise machine, when they put the Schwinn Airdyne Exercise bike on the market in the late 1970's. It has since become the most common form of fitness as far as exercise bikes.The Airdyne has no resistance parts, and gets all its resistance from air. These bikes have been around since the late 70's and since that time replacement parts have remained basically the ...
