Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

*Service Engine Soon Light [How to fix it?]
Meaning & Causes*

How to reset the service engine soon light using the Ignition switch and accelerator pedal combination. 1. Turn the Ignition to the ON position. Take the driver's seat and turn the ignition switch to the ON position but make sure you do not start the car and wait for 3-5 seconds. 2.
