's Answer #1 "I am sure that Six Flags has strict protocols surrounding situations like this. My first instinct would be to call the on-site medics. I would not touch or move the individual to avoid causing further injury. If it was heat exhaustion, I could offer them a cold bottle of water and wait with them until the medics arrived."

Finally, you may encounter questions about your physical abilities and limitations. Many of the jobs at Six Flags require employees to be on their feet, walking for most of their shifts, and often lifting relatively heavy items. If you are asked about a specific physical limitation, answer honestly. Here is an example:
