**Student Solutions Manual \u0026 Basic Econometrics ...**

I used this book during my first 2 courses of econometrics during the college. You'll know, after reading the first chapters, everything about the basic tool in the field, ols (this could be seen as a problem, because you spend too much time studying too many details; an economist doesn't necessarily need such knowledge and an amateur econometrist should rather begin with a more concise manual).
