Schneider Electric and Dell Technologies teamed up to develop a solution that automates the shutdown of hyper-converged infrastructure and associated VMs.

Schneider Electric and Dell Technologies integrate UPS and HCI

No doubt, the stresses and strains on hull and machinery is greater at 50 knots than 20, but for seasoned maritime outfitters, it is a mere matter of engineering the solution to fit the challenge.

Peed Demons

When commissioning is complete, this project is expected to demonstrate our high quality and reliable clean energy
