Sony Ericsson has released a brand new app for the Xperia X10 called 'Panorama beta'. The app allows you to create an easy panoramic picture by selecting a direction, pressing the capture button and then panning the camera to shoot the photo. This is a 'Sony Ericsson Beta' app so it is still work in progress, however from our play time it is very good and well worth downloading.

Sony Ericsson Xperia X10 - Pocket-lint

When we first held the Sony Ericsson Xperia X10 Mini, we were all set to slide the phone open, thanks to the fact that, despite its dinky size, it has a sizeable girth (the battery is built into the phone). But it's actually all candybar, with control mostly coming via the 2.55-inch TFT capacitive touch-screen. There are also three thin, metallic hard keys right under the screen, including a ...
