Soul Hackers 2 may technically be a sequel, but it smartly serves more as a soft reboot, benefitting players who are hopping into the franchise for the first time. Created as an agent of a ...

### ~~Soul Hackers 2 Review~~

Soul Hackers 2 is a stylish, engaging JRPG with great characters, but dull dungeon design dampens the experience.

### ~~Soul Hackers 2 Review - Amateurs Hack Systems, Professionals Hack People~~

That's where the game's titular Soul Hacking comes in. Bring back the soul and apparently the body revives with it. Ringo ends up reviving three people who agree to fight together for
