geographer puts forth new ways of thinking about space and place. Massey, a leading feminist geographer, develops a notion of spatiality as the product of intersecting social relations.

Space, Place, and Gender —
University of Minnesota Press
The chapters range from studies of the concepts of place employed in debates on uneven regional development and inner-city problems to arguments about the relationship between the conceptualization of space/place and the social construction of gender relations.

Space, place and gender by Massey, Doreen B
Massey, Doreen. 1994. Space, Place, and Gender. Minneapolis: Minnesota University Press.
Massey is trying to formulate concepts of space and place (time, too) in terms of social relations, and further to connect these in proper dialectical fashion.
