Chaz is the youngest recruit the Academy has ever seen. Godlike reflexes and hawk eyes make him a natural gunner assigned to fly the futuristic ship with technology so advanced it's still classified. But it takes a two-man crew and Chaz, the lone wolf, must have a partner. On his first day he meets Ferron, the most dangerous man at the Academy. The ice blue eyes and scarred face of the older cadet aren't enough to scare Chaz. Nor are the rumors that Ferron killed his last partner. But when he finds out they are to be a team, his anxiety starts to mount. Tension climbs to a breaking point when Ferron informs him that in order to fly the Needle he and Chaz must have their bodies pressed together in a dance of sensual intimacy that makes the sexually straight Chaz angry and uncomfortable. Ferron must master Chaz completely and break down his physical and emotional boundaries. The only thing that will keep them alive is their partnership-any space between them means certain death.

Micah and Ariel are angels and soul mates created to guard the throne room of the Almighty in Heaven. They are incomplete without each other and cannot bear to be apart. But Heaven is under attack and the forces of Hell have a plan to separate them -- by putting them together. Using an infernal sword called the Reever, Lucifer, Prince of Demons, strips the souls of the doomed angels and sends them down to Earth to live as humans. But the moment they come together again in love and passion, they will be free of their Earthly forms and regain their celestial bodies. Knowing this, Lucifer plots to have them sent into the bodies of siblings -- Owen and Leah DeMarko. Growing up with no knowledge of their origins, Owen and Leah are close until Leah suddenly blossoms into womanhood. Then, fearing his unnatural attraction to her, Owen cuts his beloved little sister abruptly out of his life. So begins an epic struggle between right and wrong, desire and illicit love. For Owen and Leah know nothing of their former lives as angels or the war that rages between Heaven and Hell. They only know they must not give in to what they feel for each other for their love is forever...Forbidden. "Publisher's Note: Although Owen and Leah are not related by blood, because of the perceived illictness of their desire for each other, some readers, particularly those with a history of sexual abuse or incest, may find this story disturbing."
