The Cold War - Study guide | Course The Korean War has often been called America's "forgotten war" because the United States made no significant territorial or political gains during the war. Despite the fact that tens of thousands of Americans died, the war both began and ended with the Korean Peninsula divided at the 38 th parallel. Nevertheless, the Korean War helped define the Cold War, established a precedent for keeping peripheral wars limited, and boosted defense spending that contributed to the postwar economic ...
