SUDDENLY FORBIDDEN: Is a standalone full length romance novel by Ella Fields. I've read two other books by this author which I really loved so I was super keen to get my grabby little fingers on this book. In the 'Prologue' we're introduced to seven year old Daisy and eight year old Quinn.

Suddenlly Forbidden (Gray Springs University, #1) by Ella ...

Suddenlly Forbidden is going in my 2018 favorites list and I'm dying to get a paperback as soon as they become available. That's how much I loved this book! And that cover, I'm still in love with it! If you don't like cheating, be aware that there is cheating in this book, even though it's only once and by the end of the book. However, don't let that stop you from reading this book though ...

[KINDLE] Suddenlly Forbidden | by Ella Fields

Suddenlly Forbidden is the first book in the Gray Springs University series by Ella Fields. This was also the first book I'd ever read by the author, but will not be my last. I found this gem on my Kindle Unlimited selection, as a free read I could not complain but would have happily paid for it too as its well worth the pennies if you aren't a subscriber. I love university set books with some ...

That access to its counterpart was now suddenly forbidden. Or maybe, it simply felt too betrayed to care." Ella Fields, Suddenly Forbidden. 2 likes. Like " That was the thing about first love. People often said a first love stayed with you long after you met your second, third, or even fourth love. What they failed to mention was that kind of permanence resonated deeper for some and ...

Suddenlly Forbidden Quotes by Ella Fields

Suddenlly Forbidden is decadent angst-filled romance that gutted me. Ella Fields crafted this story in a way that had me sympathize with the plight of the characters, all of them, even when they are wrong.

Suddenly Forbidden is that. Two childhood friends who fall in love as young teenagers. From inseparable to separated, Daisy and Quinn learn what heartache is at tender ages. With the spontaneous promises they make each other and the seeming impenetrable bond they solidified, nothing should be able to separate them.
