I used it to earn a living until 2009 when I had a new boat built again. All I did was listen to a old school machanic and old school boat builders. It would be imposable to earn a living with a engine that needs to be rebuilt every couple thousand hours.. I'm coming up on 4000

hrs on the new boat.
I'd say the Volvo D6
330 isn't even brokin
