Lecture 12:Wavelet Analysis, Dr. Wim van Drongelen, Modeling and Signal Analysis for NeuroscientistsTen Lectures On Wavelets

It is walled all around, but it has gates, large and massive, ten thousand times stronger than all the gates of brass forged among men; they are one and all safely locked, the hand of Divine Law has ...

Decline & fall in a Welsh town

This two-volume text in harmonic analysis introduces a wealth of analytical results and techniques. It is largely self-contained and useful to graduates and researchers in pure and applied analysis.

Classical and Multilinear Harmonic
