Example Walkthrough ...~~

At the beginning of 2000s Kent Beck

# Online Library Test Driven Development By Example

came out with the book "Test Driven Development: By Example ". The book is twenty years old, though TDD as a concept it's probably older than that. It was Kent Beck himself to say that he did not "invent" TDD, but rather "rediscover" it from old articles and papers.

The author believes that byproducts of fear include tentative, grumpy, and uncommunicative programmers who are unable to absorb constructive criticism.

~~Test Driven Development: By  
Example by Kent Beck~~

# Online Library Test Driven Development By Example

Some programmers think that, in theory, it is a good practice, but that there is never enough time to really use TDD. And others think that it is basically a waste of time. If you feel this way, I think you might not understand what TDD really is. (OK, the previous sentence was to catch

# Online Library Test Driven Development By Example

your attention).
