The Blackbird Singularity explores the fine line between a writer's creativity and a mind in the grip of a full-blown manic episode. The story is told from the point of view of Vince, a struggling writer, who decides to stop taking his medication when he discovers his wife Lyd has become pregnant.

**The Blackbird Singularity by Matt Wilven** — Goodreads

Matt Wilven's first novel, The Blackbird Singularity, published by Legend Press, is not just an enormous pleasure to read, it's a book that can teach us essential things about the writing of fiction. Every sentence puts us in touch with a world vividly present, in the moment. The story is compelling.

**The Blackbird Singularity by Matt Wilven, Paperback**

The Blackbird Singularity opens with a few novice writing techniques, but it's worth pushing through the initial pages to explore this book in its entirety. Once the book finds its stride, the story unfolds to reveal an engaging account of one man's struggle to grieve the death of his son and cling to a crumbling sense of what is real and what is not.

**The Blackbird Singularity by Matt Wilven (2016, Trade**

The blackbird singularity is a proposal for a new dimension, which we witness in Vince's thought life as he attributes words to the blackbird Blackie who visits his garden, projecting his own beliefs, fears, hopes, despair, delusions, and meaning onto its chirps and song, which he sees and hears everywhere he goes in increasing measure and intensity; and to his other hallucinations, including his dead son.

The Blackbird Singularity by Matt Wilven. 8/3/2016. 0 Comments. Coming in paperback 11/1/2016. Matt Wilven does something wonderful and much needed with his debut novel, The Blackbird Singularity; he makes mental illness approachable and real. In an age when every act of mass violence is pegged either on radical fundamentalists or "crazy" people, having and managing a mental illness is an unheard of feat.

**Matt Wilven (Author of The Blackbird Singularity)**

The Blackbird Singularity is in principle about madness, about defining madness and about dealing with madness or a madness that others have projected onto you. Upon finding out that his partner, Lyd, is pregnant, Vince decides to stop taking his lithium, the medication he has been prescribed since losing his young son, Charlie.

**The Blackbird Singularity by Matt Wilven | Book review**

The Blackbird Singularity would be a great novel for book groups to discuss because different people may have conflicting interpretations of the symbolism and may also be in disagreement over what is real and what is imagined in Vince's narrative.

**Book review - The Blackbird Singularity - Matt Wilven**

The Blackbird Singularity is a story about the pain of grief and the journey to recovery, about how we sometimes have to lose ourselves in order to find ourselves, and how that process can sometimes feel a little bit magical.

**Matt Wilven on His Debut Novel | Writerful Books | Write**

The Blackbird Singularity is a beautifully written story dealing with loss, relationships and fighting your way back up to the surface of life again. It is moving and meaningful and one that will stay with me for a long time to come.
