Overview. The aftermath of World War II was the beginning of an era defined by the decline of the old great powers and the rise of two superpowers: the Soviet Union (USSR) and the United States of America (U.S.), creating a bipolar world. Allied during World War II, the U.S. and USSR became competitors on the world stage and engaged in the Cold War, so-called because it never boiled over into open war between the two powers but was focused on espionage, political subversion, and proxy wars.
