words and editing various drafts of The Democracy of Objects. Yet if there is some truth to the ontology that I here develop, then every object is also a crowd of objects. Moreover, the circumstances under which this book came to be written, coupled with the way in which this book was written, render this point especially true.

nineteenth-century Britain,
the effects of democracy in
America were seen to spread
from Congress all the way
down to the personal habits
of its citizens. Bringing
together political
theorists, historians, and
literary scholars, this
volume explores the idea of
American democracy in
nineteenth-century Britain.
