George and the Dragon is a simple, and light medieval comedy that takes on the story of St:George and the dragon. But foremost it is a traditional knight-rescuing-princess story with a dragon, a king, some bandits, an evil guy and a few good fights. It would probably fare well amongst the younger movie viewers.

The iconography of military saints Theodore, George and Demetrius as horsemen is a direct continuation of the Roman-era "Thracian horseman" type iconography. The iconography of the dragon appears to grow out of the serpent entwining the "tree of life" on one hand, and with the draco standard used by late Roman cavalry on the other. Horsemen spearing serpents and boars are widely represented in ...
