Adult Literacy in the United States

The estimated 44 million immigrants in the United States are better educated than ever, due in part to rising levels of schooling in many of the countries they came from and an influx of high-skilled workers to the U.S. in recent years, especially from Asia.. In 2016, 17.2% of immigrants ages 25 and older had a bachelor's degree and another 12.8% had attained a postgraduate degree, according
