One of the most commonly owned collections of Lovecraft's works, the Necronomicon pieces together the Cthulhu Mythos in its entirety, which is an extremely difficult collection to piece together. The stories are all entwined through various references, character experiences and fragmented details despite being written several years apart with many stories being written in between.

H. P. Lovecraft was born in Providence, Rhode Island, in the US in 1890. Influenced by various literary interests, first in the Tales of Arabian Nights, then Greek mythology and also gothic tales told to him by his grandfather, Lovecraft mixed these together with an interest in science and gave voice to his ideas in a series of dark tales of fantasy and horror.
