Dreams of Destiny

The Forgotten Queen | From her earliest days, Margaret Tudor knows she will not have the luxury of choosing a husband. As daughter of Henry VII, her duty is to gain alliances for England. Barely out of girlhood, Margaret is married by proxy to James IV and travels to Edinburgh to become Queen of Scotland.

Long ago, the mighty generals of the Mongol Empire rode from Siberia to Carpathia and conquered all who stood in their way. Legends tell of a witch who walked with them, who could infect the hearts of any warriors in her midst with an unquenchable thirst for battle and bloodshed...a War-Monger. And now she is walking again.
