Item Description. Automotive

bodywork repair, surface prep and

painting is one of those things that

take a little practice and, especially,

preparation. Most do-it-yourself

mechanics will, at one point or

another, face the need to perform

some bodywork and possibly have to

spray some paint on their project

vehicle, and that's when the

Haynes manuals focus on the maintenance and repair of automotive vehicles and cover a wide range of makes and models. What makes these repair manuals attractive to users is the fact that they are based upon "taking apart" and "putting together" an entire vehicle and contain diagrams and photographs of an actual strip-down or rebuild in most cases.
