The Human Orchid And Octopus

For an invertebrate animal, the octopus is remarkably intelligent and even has long-term memory. These molecular mechanisms are likely helping it do so.

Octopus and human brains share the same jumping genes

Your O looks like a robot octopus, I claim ... a pink lady's slipper. Orchid seeds are different. They have only the DNA they need to grow. Like human babies, they are helpless on their own. But ...

Tristan Roberts | This Spot on Earth: Of fathers, sons, orchids, and other symbiotes

I bow and hand Sensei her arrows. All but one that I can't find, though I combed the long grass with my fingers. One arrow gone. Perhaps underground you hold it in your hand against the broken dawn.

Giving My Body to Science

This octopus species lives in open water in Earth's tropical and subtropical seas. It's not the easiest place to find a mate, especially since the male is tiny—less than three-quarters of an ...

To mate, this octopus gives life and limb

Add in the octopus's small size (generally around eight inches), relatively short arms, bell-shaped body, pale coloring, and tendency to hover over the seafloor, and you've got a cephalopod ...

Dumbo Octopus

Some species - such as this reef octopus, *Octopus cyanea* - can even change the texture ... Some even look partially eaten. The orchid mantis, *Hymenopus coronatus*, would appear to be the master of ...

Can you spot the hidden animals that use cunning camouflage?

Lingis's writing evinces the many kinds of knowledge and subtle forces circulating through human communities and their environments. His unique style blends travel writing, cultural anthropology, and ...

The Alphonso Lingis Reader

It rained, again. I can't see the drops fall against the pale blue sky, but I can hear them. The sound builds like the slow approach of a small plane ...

Please don't water the orchids

Orchids are absolutely stunning and can be found in any color imaginable, which means there's a rainbow of colors to pick from for an orchid tattoo.

The Real Meaning Of An Orchid Tattoo

Israel's PM: "We no longer play with the tentacles, with Iran's proxies: we've created a new equation by going for the head." ...

Can Syria Handle the New "Octopus" Doctrine?

Those driving by the Circle Inn Fairfield might do a double take when they see the giant mythical octopus climbing the wall. It didn't just crawl out of the sea — it's part of the inn's ever-changing ...

Giant octopus the latest mural on Fairfield's Circle Inn

Today her experience with the Orchid Giving Circle at the Texas Women's Foundation has been a full-circle moment. Through the philanthropic work of the group, the Luong was able to give back to ...
