The Insurgents is the inside story of the small group of soldier-scholars, led by General David Petraeus, who plotted to revolutionize one of the largest, oldest, and most hidebound institutions—the United States military. Their aim was to build a new Army that could fight the new kind of war in the post-Cold War age: not massive wars on vast battlefields, but “small wars” in cities and villages, against insurgents and terrorists.

~~The Insurgents: David Petraeus and the Plot to Change the ...~~

The "insurgents" of the title are a set of Army officers who developed an interest in counterinsurgency in the 1990s, when it was out of favor, having been sworn off after the failed attempt in Vietnam and the adoption of the "Powell Doctrine" that the US would not go to war without going all-in. Foremost among them are GEN David Petraeus and LTC John Nagl, but there were many others.

terrorists.

~~The Insurgents on Apple Books~~

THE INSURGENTS unfolds against the backdrop of two wars waged against insurgencies-- wars which the Pentagon's top generals didn't know how to fight. But a small group of soldiers and scholars did have a plan for fighting these kinds of wars, people like General David Petraeus and Colonels John Nagl, David Kilcullen, and H.R. McMaster.
