The Next Decade: Where We've
Been . . . and Where We're
. . .

The Next Decade is a 2010
book by George Friedman, who
addresses the United States'
relationships with other
countries and the state of
the world in general
throughout the 2010s. The

Read Free The Next Decade What World Will Look Like

George Friedman
main theme of the book is how the American administrations of the 2010s will need to create regional power balances, some of which have been disturbed. Friedman conceptualizes America's successful management of world affairs not by directly enforcing countries, but by creating competing relationships, which offset o

The Next Decade (book) -
