~~The Plague Tales by Ann Benson (1998-05-11) Paperback - 1 ...~~

The Plague Tales by Ann Benson. It is history ’ s most feared disease. It turned neighbor against neighbor, the civilized into the savage, and the living into the dead. Now, in a spellbinding novel of adventure and science, romance and terror, two eras are joined by a single trace of microscopic bacterium—the invisible seeds of a new bubonic plague. In the year 1348, a disgraced Spanish physician crosses a landscape of horrors to Avignon, France.

From the primitive cures of the Middle Ages to the biological police state of our near future, The Plague Tales is a thrilling race against time and mass destruction. For in 2005, humankind's last hope for survival can come only from one place: out of a dark and tortured past. Praise for The Plague Tales

~~Amazon.co.uk:Customer reviews: The Plague Tales: 1~~
Like "Plague Tales," the Willis book alternates between the 14th century and England of the future. While superficially similar, "Plague Tales" is much more of a bio-thriller that is a fun book to read once and then pass along to a friend, while "Doomsday Book" is a deeper, more polished book with a stronger emotional impact that you will want to read again and again.

~~Amazon.com: Customer reviews: The Plague Tales~~
It turned neighbor against neighbor, the civilized into the savage, and the living into the dead. Now, in a spellbinding novel of adventure and science, romance and terror, two eras are joined by a single trace of microscopic bacterium—the invisible seeds of a new bubonic plague.

Check out this great listen on Audible.com. Fourteenth-century physician Alejandro Guzman, caught performing an autopsy in Spain, flees across Europe at the time of the Black Death to escape execution for his heretical deed. When he arrives in the Papal city of Avignon, he is conscripted against h...

~~The Plague Tales Audiobook | Ann Benson | Audible.co.uk~~
I immensely enjoyed the two gripping stories told in Ann Benson's The Plague Tales. I am a medieval buff, so naturally found the story of Alejandro Canches the Jewish doctor from Spain interesting. Alejandro has a great desire to be able to cure all patients.
