Music on the Mind |

Psychology Today

The Psychology of Music  
serves as an introduction to  
an interdisciplinary field  
in psychology, which focuses  
on the interpretation of

# File Type PDF The Psychology Of Music In

music through mental function. This interpretation leads to the characterization of music through perceiving, remembering, creating, performing, and responding to music.

# File Type PDF The Psychology Of Music In Multimedia

The Psychology of Music |
