The Reasonableness of Christianity: Locke, John ...

This essay addresses the reasonableness of Christianity using human's God-given mental capacities, senses, and natural evidences. It does not accept the idea of intervention or experience of God in extraordinary ways. It is a view to be taken from that perspective.

The Reasonableness of Christianity, and A Discourse of ...

To recapitulate, Christianity is reasonable 1) because we understand it through an intrinsic faculty of judgement and knowledge (reason) which all men possess; 2) because that faculty (reason) alone is flawed and has misdirected men towards error over the years so Christianity rectifies it; and 3) because Christianity's positive effect is measurable by its usefulness in society.

John Locke on "The Reasonableness of Christianity" ~ The ...

In The Reasonableness of Christianity, as Delivered in the Scriptures, Locke sets out to apply empiricism to the Bible. He argues that everything in Scripture agrees with human reason, that there is nothing unreasonable about Christ's claims to divinity or the reports of miracles, and that the core beliefs of the Christian faith are clearly visible in Scripture.

wonderful story-telling, and writing of high distinction. It is precisely those qualities which mark this book. Despite the efforts of McClendon and Ward in their introduction to claim otherwise, there is little thematic unity in the volume. Most of the essays are scholarly synecdoches, vivid vignettes that illuminate particular aspects of la mentalité religieuse of the later sixteenth and ...
