With nothing left to lose, the Romulan Star Empire engages in all-out war against humanity, determined once and for all to stop the human menace from spreading across the galaxy. At the start of the twenty-first century, unconditional war swept across the Earth. A war that engulfed the great and the small, the rich and the poor, giving no quarter.

Beneath the Raptor's Wing is next in the Romulan War series of books within the Star Trek Enterprise franchise and continues the narrative following Kobayashi Maru. The war is not going well for the Coalition, all of the advanced races within it are vulnerable to the Romulan telecapture weapon leaving Earth to stand largely alone.
