The 5 Rules of Parenting. After 54 cumulative years of it ...

9. Explain your rules and decisions. "Good parents have expectations they want their child to live up to," he writes. "Generally, parents overexplain to young children and underexplain to adolescents. What is obvious to you may not be evident to a 12-year-old. He doesn't have the priorities, judgment, or experience that you have." 10.

10 Principles of Good Parenting & How to Avoid Battles ...

□There needs to be context, fairness, and understanding.□ In other words, family rules have to be clear. More than that, the enforcer of said rules (i.e. you and your spouse) have to be clear, so the behavior can become automatic. Stick to this, and you□ll see results. Here, then, are the rules parents should consider enforcing in their home.

9 Family Rules Every Parent Should Enforce, According to ...

Authoritative parents have rules and they use consequences, but they also take their children's opinions into account. They validate their children's feelings, while also making it clear that the adults are ultimately in charge. Authoritative parents invest time and energy into preventing behavior problems before they start.

4 Types of Parenting Styles and Their Effects on Kids

My basic rule of parenting is: There are no rules. The same thing will not work for everybody and things that work for nearly everybody won't always work. By experience, I've found that it is better to prevent problems than solve them. The following guidelines are as close to "rules" of parenting as I care to get. Respect yourself. Be firm.

General Guidelines for Parenting: There Are No Rules ...

Parenting time should occur in a stable place and without disruption of an infant's established routine. (1) Three (3) non-consecutive □days□ per week of three (3) hours per day. The child is
