The Savage Garden is the second novel written by British author Mark Mills. Set in 1958, the story tells of Cambridge student Adam Strickland and his trip to Tuscany, Italy; which started off as a chance to study the old, Italian renaissance architecture of a garden owned by the aristocratic Docci family and results in Adam solving two murders: one from the 16th century and one just after World War II.

The Savage Garden, the second novel by British author Mark Mills, is a literary mystery in the tradition of juxtaposing historical and contemporary events. Set in the post-World War II era, it focuses on Cambridge student Adam Strickland who is in search of a subject for his art history thesis.

The Savage Garden by Mark Mills - Goodreads

But where "Amagansett" meandered sometimes aimlessly across Hampton's dunes, Mills' second effort, "The Savage Garden", is as lively and raucous a page-turner as the Tuscan hills where his story takes place. Adam Strickland is a young Cambridge student in the decade or so following World War II; a brilliant but borderline slacker.
