* The Toynbee Convector " is a science fiction short story by American writer Ray Bradbury. First published in Playboy magazine in 1984, the story was subsequently featured in a 1988 short story collection also titled The Toynbee Convector.

The Toynbee Convector - Wikipedia

THE TOYNBEE CONVECTOR is a collection of twenty-three short stories from the pen of Ray Bradbury. There isn't much to tie this anthology together; the only real thing these stories have in common is their Bradbury-ian wistful flavor and that each one is well worth reading. These stories cover quite a distance in terms of their styles and genres.
