She meets a soothe-sayer who says she has a gift and that her decision to use it comes with great power and responsibility. Martine's grandma lives on a wildlife preserve. Poachers murdered her grandfather and continue to steal animals. Martine discovers an elusive white giraffe from local legends. Poachers are hot on its trail. Magical realism.

When Martine arrives, she hears tales of a mythical animal living there?a white giraffe. They say no one has ever seen the animal, but it does leave behind footprints. Her grandmother insists that the white giraffe is just a legend, but then, one stormy night, Martine looks out her bedroom window straight into the eyes of the tall silvery animal.

If a Male White Giraffe spawns with an entire family, the Male Giraffe will inflict 10% more damage to the animals if one member of its family dies and the cooldown of its ability will be decreased by 10%, but if both family members die, the giraffe in addition to receiving another 10% increase in damage inflicted and another 10% decrease in cooldown, will also lose the capacity to heal over time and will have to resort to other methods such as Healing Stones in order to regain health.
