The Yellow Birds Study Guide: Analysis | GradeSaver

November 29th, 2012 The innocuous title of Kevin Powers' debut novel The Yellow Birds is a reference to a military marching cadence. In its lyrics, as anyone who served in the military in recent decades might know, a peaceful bird is lured into a room and wantonly killed.

"The Yellow Birds," By Kevin Powers - The Rumpus.net

The Yellow Birds, set in Iraq, tells the story of two young American soldiers from Virginia, their experiences and the aftermath. It is not a pretty picture. The genius of the book, a first work by Kevin Powers, is that it uses powerful and artful writing to not only tell a story, but to provide insight into the consciousness of other human beings who are caught in the madness of war and killing.
