Theoretical Perspectives for Direct Social Work Practice ...

Praise for the first edition "Finally, a social work practice text that makes a difference! This is the book that you have wished for but could never find. Although similar to texts that cover a range of practice theories and approaches to clinical practice, this book clearly has a social work frame of reference and a social work identity."--Gayla Rogers, Dean of the Faculty of Social Work ...

Theoretical Perspectives for Direct Social Work Practice ...

The field of sociology itself is a theoretical perspective based on the assumption that social systems such as society and the family actually exist, that culture, social structure, statuses, and roles are real. A theoretical perspective is important for research because it serves to organize our thoughts and ideas and make them clear to others.
