3 Introducing the Guide to students o Before you begin working with the Three Level Guide tool, think about how familiar your students are with the process. If this is a new teaching tool, students will need to be trained in how to use it. Model using a short sample text, and guide the whole class as they work in pairs or small groups.

A Three-Level Reading Guide is a printed form students use to analyze a text selection. This guide allows students to record their reading comprehension at three levels: Literal Level – Understanding the literal meaning of the words and ideas in a reading selection. Interpretive Level – Grasping the "message" of the selection or understanding what the author meant by the passage.

The term “ Levels of Management ’ refers to a line of demarcation between various managerial positions in an organization. The number of levels in management increases when the size of the business and work force increases and vice versa. The level of management determines a chain of command, the amount of authority & status enjoyed by any managerial position.
