Eagle's Book Reviews (35): Stormbird (Wars of the Roses #1) by Conn Iggulden Margaret of Anjou: Who's Who in the Wars of the Roses | AF 364 Trinity Wars Of The Roses
Trinity is the second book in Conn Iggulden's Wars of the Roses series and revolves around the deepening political and dynastic enmity between Margaret of Anjou, the formidable wife to King Henry VI of England, and the king's embittered cousin Richard Plantagenet duke of York as they fight over who will rule in England and who, in the end, will be the true king.

Trinity (Wars of the Roses, #2) by Conn Iggulden
Just completed reading Trinity (2nd series in War of the Roses), I am so baffled with the story line and the way Conn Iggulden has built up the plot. So different then Stormbird, the first part had me complete in favour of King Henry, Margaret of Anjou and Derry Brewer (They were mavericks), however, after reading Trinity my alliance kept shifting towards York and Salisbury with every chapter.
